

Please attach one copy of the dissertation abstract for the Dean's review and approval. The proper heading of the dissertation abstract must be printed at the top of the abstract. Prior to submission, the abstract must be read and approved by your major advisor, the Director of Graduate Studies, and the Chair/Program Director. You will be notified of the approval of the abstract or if revisions are required. If revisions are required, the GRS office will wait to officially schedule the final oral exam until the submission of the revised abstract.

Please submit the completed form to the Graduate School of Arts and Sciences or via email to grsrec@bu.edu. All submitted forms must include all signatures.
